

Egg cosies knitting instruction

material: 4 double pointed needles, 4 mm crochet hook, darning needle, scissors

wool: Léttlopi, Colors may vary, for mane and house fancy yarn Lana Grossa Peppina

horse:

- cast on 24 stitches with double pointed needles. 6 stitches on each needle. Knit 10 rounds.
- On the eleventh round, decrease 1 stitch on each needle, then knit one round.
- Now on each round, decrease one stitch on each needle until there are only eight stitches left. Pull the thread through the stitches and sew inside.
- **ears for horse and sheep.**
- Cast on 5 sts, 1 row purl stitch, turn, one row knit stitch, turn, purl stitch, then decrease one stitch in each row.
- Pull the thread through the last stitch and hem the ear with the thread to give it more stability. Sew the ears of the sheep together a little at the bottom to make it look a little hollow.

mane:

Either with lint wool Between the ears a single crochet, 8 chain stitches (+- 1-2) then another single crochet. Repeat until you get to the bottom.
Or the same with normal Lettlopi, only in two rows.

volcano:

- cast on 24 stitches with gray and double pointed needles. 6 stitches on each needle. Knit 15 rounds.
- On the 16th round knit a lace pattern: 1 yarn over, two together alternately.
- On the 17th round, knit the yarn over as a regular stitch.
- bind off on the 18th round. sew up threads. Crochet 50 chain stitches with wine red. Knot the ends.
- Make a loop with the threads red, orange and yellow and knot with the chain stitch band in the hole pattern of the volcano.

sheep:

- cast on 24 stitches with white and double pointed needles. 6 stitches on each needle.
- 2 rounds purl stitch, knit 8 rounds knit stitch, decrease as like the horse.
- Pull the thread through the stitches at the end and sew on the outside. Pull the sheep inside out.

horns:

- - With gray crochet 19 chain stitches, 18 single crochet stitches, it will automatically loop.

house:

- - cast on 24 stitches with brown and double pointed needles. 6 stitches on each needle.
- - Knit 8 rounds knit stitch. 2 rounds knit stitch with grass green. Now decrease as follows:
 - - Knit the first two stitches from the first needle together
 - - Knit the last two stitches from the second needle together
 - - Knit the first two stitches from the third needle together
 - - Knit the last two sts from the fourth needle together (5 sts on each needle)
 - - Knit one round, dec again as above (4 sts on each needle)
 - - Knit one round, dec again as above (3 sts on each needle)
 - - And dec again (2 sts on each needle)
- - Distribute the stitches on two needles, place the needles next to each other and knit together and bind off. Embroider two windows. With half a Lettlopi thread.
- - Crochet an edge around the roof with the lint yarn. Or crochet a jagged edge with Lettlopi green. A slip stitch, four chain stitches alternately.
-

carrot:

- Knit like the horse up to the 10th round, eleventh round decrease one stitch on each needle, knit one round,
- dec again, then dec every other round until 2 sts remain in total. Pull the thread through and sew.

Rabbit: crochet 3 chain stitches and close into a circle, crochet 12 single crochet into the circle, close with a slip stitch. 5 chain stitches and 4 single crochets back, a slip stitch, and for the second ear again 5 chain stitches and four single crochets back.

Bunny body: Close 3 chain stitches to form a circle, crochet 12 double crochets in the circle, close with a slip stitch. Sew both body parts onto the carrot and either embroider a pompom as a tail (flower) or a "face".

Crochet an edge at the bottom of the carrot with green Lettlopi or fluffy yarn. As with the house.
